## “SKW OUTREACH”

**VOLUNTEERS  
NEEDED DAILY**

### TEAMWORK!

Samaritan Kitchen of Wilkes is truly a team effort. Some of the team may be more visible than others, but there are many, many important team members! Whether the team part is as a donor, volunteer, staff member, board member, client or a combination of those, SKW would not exist without any one branch of this team! Teamwork is at the heart of great accomplishment!

Teamwork maximizes abilities, allowing the organization to feed off the strengths of the volunteers.

Teamwork maximizes assets - The greatest asset in a non-profit organization is not the finances, not the property and not the building. The greatest asset in any and all nonprofit organizations is the people. Everyday people are volunteering and giving to nonprofits. Think about this for a moment. How does a nonprofit raise funds? Through various avenues with people. How does a nonprofit accomplish various tasks? Through various avenues with people. The key to teamwork and nonprofit success is centered in the people. The people make things happen within the organization. Where would Samaritan Kitchen of Wilkes be without the volunteers and the people involved? SKW would simply cease to exist without the people.

Come and be a team player!!! Whether by donating monetarily, with food for either the Client Choice Pantry or Project Backpack or by volunteering, you can make a difference in someone else's life and at the same time be richly blessed. Volunteers are needed to stock shelves, assist clients with paperwork and selecting groceries, and pack backpacks. We especially need volunteers for three hours a day to assist the van driver with pickups and lifting 20 to 30 - pound boxes. In addition, SKW is in need of volunteers to do data entry in Excel, answer the phone and schedule appointments and/or write thank you notes. Any amount of time is appreciated, from an hour a month on up! Come see what we are all about!

# Making a Difference

WE TRULY APPRECIATE ALL OF YOUR HELP WITH THE FOOD AND CLOTHING WHEN WE VISITED YOU ON WEDNESDAY, AND ALSO APOLOGIZE FOR THE EMOTIONAL BREAKDOWNS - IT IS VERY HARD FOR US TO COME TO TERMS WITH AS WE ARE ALWAYS ON THE GIVING END OF SIMILAR SITUATIONS - NOT THE RECEIVING END.

GOD BLESS YOU ALL AND WE HOPE TO BE ABLE TO HELP OUT ANY WAY WE CAN AS SOON AS WE ARE ABLE.

**An Unexpected Blessing**—SKW owns two vehicles used for picking up daily donations, a box truck and a van. One day when our driver, Brenda, was starting to get gas, someone also at the pumps said that she wanted to pay for our gas. She said she had been meaning to send in a donation, so instead, spotting our van, paid for the fill-up!

"Hello"

Just wanted to ~~thank~~ <sup>thank you</sup> for the food + groceries. We really appreciate them. I think some people think milke job paid while he has been out of work he does not disability doesn't pay unless you are in hospital or have surgery so it is now going on four weeks he has been out. Just wanted to tell you we appreciated helping us and we love you,

Dear Samaritan's Kitchen,

I haven't paid any for the yet; and I have \$71 in my wallet, so I decided to pay my first ever 10% of my money to you guys because you help out people. It isn't much, but it's better than nothing.

Sincerely,

Elijah Ledford

Like their logo says, "Expect great things!" So the next time you are in Kohl's, please acknowledge their service to the community!

*May your holidays  
be filled with Peace,  
Love and Joy.*

## **Project Backpack Summer Survival Wish List**

Currently we are serving 700 students each week through Project: Backpack.. We consider it a great honor to be able to provide this service to Wilkes County Students. We are asking for your continued support in making this a reality for the children.

As SKW winds down the Project: Backpack for the school year, we have a couple of items we still are in dire need of to complete the student summer bags. We still need 700 washcloths and 7000 individual bandaids! (Walmart carries an 18 pk of washcloths for approximately \$5, a 100-pk of bandaids for \$3.) Any quantity you can donate whether one or more, will be greatly appreciated! Many of our other health & beauty items were donated through a Ventures Grant with the United Way of Wilkes. Please have these donations to us by May 1, so we know what we still need to order.

Another fun item for the children is activity/coloring pages or books.

Any church that would like to contact us regarding their VBS schedule for the summer may do so by May 1 and we will also include this info in the bag of goodies!

Thank you for considering collecting these items or making a monetary donation for the purchase of these items for Project Backpack and Summer Survival.

Help a child carry home hope!

**Samaritan Kitchen of Wilkes is a 501c3 organization and a United Way partner agency.**

We are not affiliated with Samaritan's Purse.

**It costs \$7.80 to fill each backpack each week! This includes the cost of the actual backpack at the beginning of the school year.**

## Our Annual Statistics

### Fiscal Year

### July 1, 2012 – June 30, 2013

#### Mission

The mission of Samaritan Kitchen of Wilkes, Inc. (SKW) is to “feed the hungry in Wilkes County”. Methods used in accomplishing this are the Client Choice Pantry and Project: BackPack.

#### Our Programs

**Client Choice Pantry Program:** The client choice pantry opened officially in November 2006. The pantry is open every Monday, Wednesday and Friday by appointment. Clients are able to shop, selecting their preferred food choices for themselves with the guiding hand of one of our many volunteers. This helps to give our clients a sense of dignity in asking for help. In the last fiscal year our pantry assisted 5,637 families by providing 271,476 pounds of food and other items. The value of the product that was given away equaled \$450,650.

**Project: Backpack:** The BackPack program started in December 2005 to help feed children who are at-risk of going home to little or no food in the house. Each week every child receives 2 breakfasts, 2 lunches, 2 dinners and snacks that are easy to prepare (and jarred peanut butter approx every 6 weeks) at a cost per child of approximately \$7.80. The School Coordinator meets one-on-one with them and packs the food into their backpacks for them to carry home. During the 2012-2013 school year we were able to assist an average of 672 children weekly. SKW packed 22,713 bags at a cost of \$177,161. Our goal each year is to serve at least 10% of the children receiving free and reduced lunch at school. We met our goal this past year.

#### Management and Staff

The Board of Directors for Samaritan Kitchen of Wilkes is served by ten to twelve volunteer members. SKW has 1 salaried position, 4 part-time hourly positions, plus a network of volunteers. The combined paid positions are the equivalent of 3.1 full-time employees. Payroll expenses are just 7.3% of our budget.

#### Volunteers

Last fiscal year, our priceless volunteers clocked an impressive 8,720 hours.

#### Funding

Our budget was \$228,484 for monetary donations, over half of this was donated by individuals and churches, the remaining came from the United Way, grants and fundraisers.

The food and other non-cash donations were valued at \$655,532. This resulted in a total SKW budget of \$884,016 for 2012-13.

#### Who We Serve

We service all of Wilkes County.

#### Financial Statement

Our Form 990 financial statement is available for review by appointment.

Any donations of money or food made to Samaritan Kitchen by April 30 will be partially matched by the **Feinstein Million Dollar Challenge**. The more you give, the more of the Feinstein \$1 million SKW will get! In it's 16th year, The Feinstein Challenge has been a successful ongoing effort to fight hunger.

**THANKS TO ALL OF THOSE WHO HAVE REACHED OUT  
TO OTHERS DURING 2013.....**
